**CULVERT INSTALLATION ON NH ROUTE 145 IN COLEBROOK**  
***WILL REQUIRE LANE CLOSURES FOR THREE DAYS***

The New Hampshire Department of Transportation announces Bridge Maintenance forces are installing a culvert on NH Route 145 over Dry Brook in Colebrook from today (6/11/02) through Thursday, June 13, 2002.

This work involves removing a partial bridge structure and replacing it with a two-foot culvert. Daily work hours will be from 6:00 am until 4:00 pm.

A lane closure will be necessary in order to perform the work. Warning signs, cones and concrete barriers will be used to guide motorists through the work zone. Minor delays can be expected.

Motorists on NH Route 145 in Colebrook are urged to proceed with caution when driving through the work zone.
